Lesson -3 (Ear to Ear)
Answer the following questions
Q1) Name two animals which give birth to babies?
 Ans Cow, Buffalo
Q2) Name any two animals which have ears on the sides of
     their head?
Ans Elephant, Deer
 Q3) What is the reason that animals can be recognised by
     their skin?
  Ans Animals have different patterns on their skin so they
       can be recognised by their skin.
 Q4) How do birds hear?
  Ans Birds hear with the help of tiny holes which are
       present on both sides of their head and are
       covered with feathers

Q5) Why the numbers of tigers are going down in India?
 Ans The numbers of tigers are going down in India
      because
     1) People hunt them for their skin and bones.
     2) Also cutting of forests makes them homeless.
